COMP2005: Maternity Swing UI Usability Test

1. Do you agree to participate in this testing?

Responses: 1
Average: 1

Yes **100%** (1)

No **0%** (0)

Usability Test

2. Were you able to complete the task?

Responses: 1
Average: 1

Yes **100%** (1)

No **0%** (0)

3. Was the design of the application confusing?

Responses: 1
Average: 2

Yes **0%** (0)

No **100%** (1)

4. How intuitive did you find the applications design?

Responses: 1
Average: 5

Not very intuitive 1 **0%** (0)

2 **0%** (0)

3 **0%** (0)

4 **0%** (0)

Very intuitive 5 **100%** (1)

5. How readable/accessible did you find the applications design?

Responses: 1

Average: 4

Not very readable	1	**0% (0)**	
	2	**0% (0)**	
	3	**0% (0)**	
	4		**100% (1)**
Very readable	5	**0% (0)**	

6. What suggestions would you propose for improving the applications design and UI?

Responses: 1

> - I do believe a title would go a long way for people like me who cannot figure things out implicitly - Make the table cells read-only - font size bigger (my eyes are really bad so this is a personal one) - if the api response != 200 then show an error message

7. Were there any aspects of the application that did not work functionally?
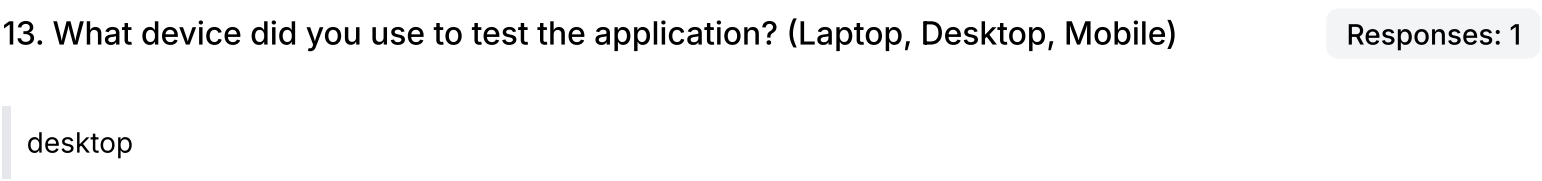

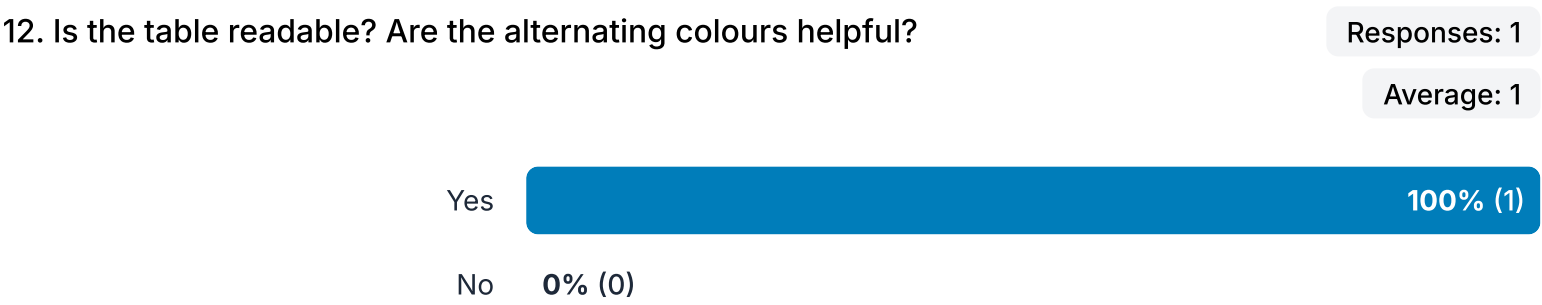

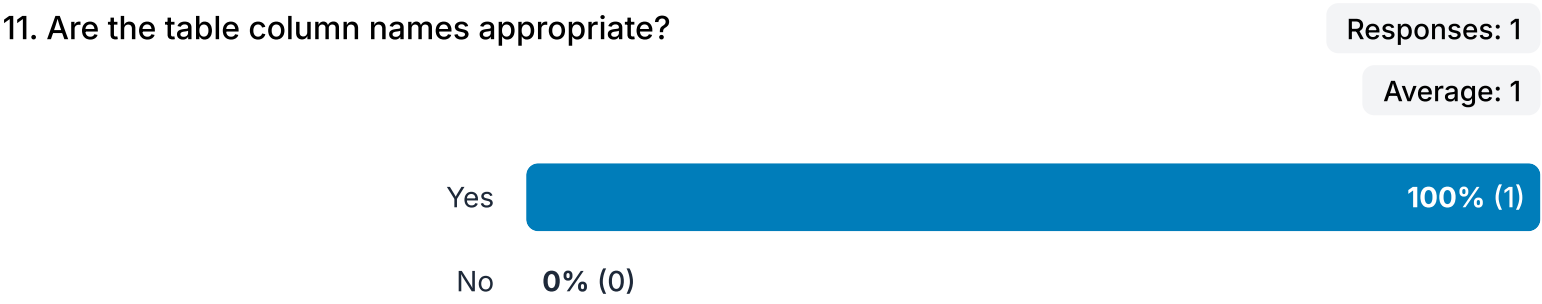

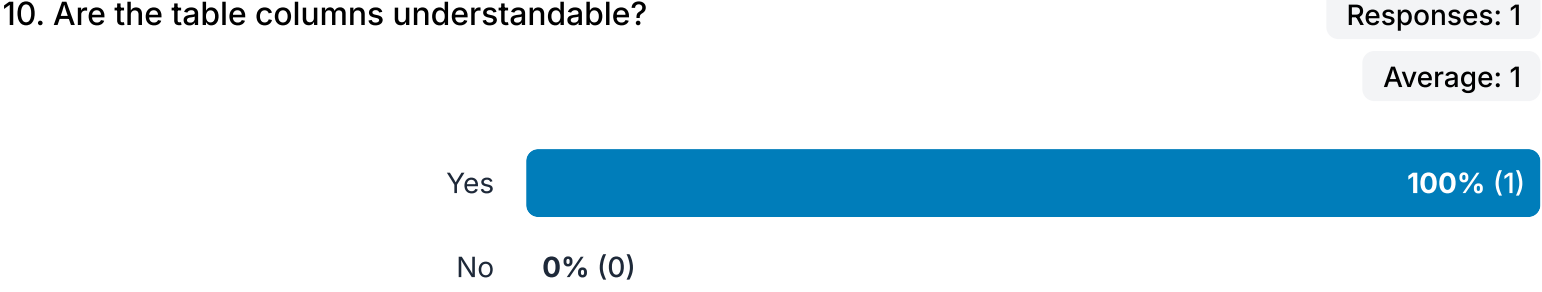

Responses: 0

## 8. Was there any inconsistencies with the design of the application?

Responses: 0

9. Is the button obvious?

Responses: 1

Average: 1

Yes		**100% (1)**
No	**0% (0)**	

10. Are the table columns understandable?

Responses: 1

Average: 1

Yes   **100% (1)**

No   **0%** (0)

11. Are the table column names appropriate?

Responses: 1

Average: 1

Yes   **100% (1)**

No   **0%** (0)

12. Is the table readable? Are the alternating colours helpful?

Responses: 1

Average: 1

Yes   **100% (1)**

No   **0%** (0)

13. What device did you use to test the application? (Laptop, Desktop, Mobile)

Responses: 1

desktop

Usability Test Review

14. How would you rate the Usability Testing process?

Responses: 1

Average: 5

Poor   1   **0%** (0)

2   **0%** (0)

	3	**0%** (0)
	4	**0%** (0)
Great	5	**100%** (1)

---

15. Do you have any suggestions for improving the Usability Testing process?   Responses: 0
